Random Drug and Alcohol Consent to Test Form Athletic Department Consent for Participation - Student Drug Testing

I understand that submission to testing for the presence of drugs and alcohol is a condition of participation in athletic and competitive activities in Anderson School District Five. I further understand that if I refuse to take the test, fail to report for the test, or if the test establishes a violation of the drug testing policy, I will be subject to consequences as set forth by the drug testing policy.

By signing and dating this form, I consent to be randomly tested throughout the school year, which will be conducted monthly. The selection process for random drug testing will be performed by the contracting laboratory with participating students being notified on the day they are to report for testing.

I hereby consent to the administration of drug tests and to the conditions listed in this consent and the accompanying general prohibitions and procedures outlined in the Student Drug Testing Program Policy found in the Anderson School District Five Handbook for Parents and Athletes and on the district's website. My parents will be notified if I test positive for any illegal drug.

I understand that my name must be included in the testing pool to participate in any sports in Anderson School District Five.
